

# Our Dedication to You

Sunrise has achieved the WELL Health-Safety Rating.

We're proud to be the largest senior living provider to achieve this prestigious rating across our more than 270 communities. This designation provides third-party recognition of our commitment to promote the health and well-being of those who live in, work at, and visit our communities.

## CLEANING AND SANITIZATION PROCEDURES

Our rigorous protocols help us minimize the risk of disease transmission by reducing contact with high-touch surfaces while using effective, less-hazardous cleaning products.

## HEALTH SERVICE RESOURCES

We offer our cherished team members health benefits, including mental health services as well as providing and encouraging applicable immunizations.

## STAKEHOLDER ENGAGEMENT AND COMMUNICATION

By communicating with residents, family members, and team members clearly and regularly, we provide important information about promoting their health and safety.

## EMERGENCY PREPAREDNESS PROGRAMS

We have extensive plans in place to respond to a diverse variety of emergency situations—helping us stay prepared to protect our residents and team members.

## INNOVATION

We take steps to go even further beyond the features of our WELL Health-Safety Rating—promoting excellence and continuing our commitment to health and safety.
